

DVO reference list

Marine terminals

| Year | Country | Field of activity | Description of activity |
|-------------|---------------|--------------------|--|
| 2023 | Puerto Rico | Jetty | Oil dock upgrade study – Puerto Rico - TotalEnergies |
| 2023 | France | CBM | Technical assistance for purchase of new subsea flexible hoses – Port la Nouvelle - EPPLN |
| 2023 | Ivory Coast | SPM & CBM | Conceptual study for new terminals – Abidjan - SIR |
| 2022 | Ivory Coast | CBM | PLEM and jumper protection repair philosophy – Abidjan - SIR |
| 2022 | Ivory Coast | CBM | Feasibility study for new terminals locations – Abidjan - SIR |
| 2022 | Ivory Coast | SPM & CBM | Feasibility study for new terminals locations – Abidjan - SIR |
| 2022 | Guinea | CBM | FEED for a CBM terminal and a sealine – Matakang - PARLYM |
| 2021 - 2022 | Ivory Coast | CBM | Basic engineering for 2 new CBM terminal West Vridi – Abidjan - SIR |
| 2021 - 2022 | Guinea | CBM | Operations dossier and soil surveys supervision – Matakang - PARLYM |
| 2021 - 2022 | Senegal | CBM | FEED for a new butane and white product CBM terminal – Mbao – TOUBA OIL |
| 2021 | Senegal | CBM | FEED for 2 new CBM terminals – Mbao – SAR & SENSTOCK |
| 2020 - 2021 | France | CBM | Project management for CBM new sealine installation and old sealine decommissioning – Port la Nouvelle - EPPLN |
| 2020 | Ivory Coast | SPM & CBM | Inspection of pipelines by divers - Abidjan – SIR |
| 2019-2020 | Ivory Coast | SPM & CBM | Modification of terminal for new products – Abidjan - SIR |
| 2019 | Virgin Island | SPM | Supervision of hoses installation – Lime Tree - Trelleborg |
| 2018-2019 | Cameroon | CBM | Rehabilitation of terminal – Limbé – Sonara |
| 2017 | Senegal | CBM | Design of terminal – Mbao – Association of local oil and gas companies |
| 2016 | Cameroon | jetty | Study of repairs on damaged jetty – Limbé – Sonara |
| 2016 | Argentina | CALM | Feasibility study – Enap Sipetrol |
| 2015 | India | CALM | Inspection of floating hoses – Reliance – Trelleborg |
| 2015 | China | CALM | Installation and commissioning of hoses – Labuan – Trelleborg |
| 2015 | Congo | CALM & CBM & jetty | Feasibility study for a new terminal – Pointe Noire – Coraf |
| 2015 | France | jetty | Basic and FEED for terminal replacement – Nouméa – Sogadoc |
| 2015 | Bangladesh | CBM | Assistance to terminal maintenance – Chittagong –Plpg |
| 2014 | Angola | SPM | Supervision of hoses installation – CLOV – Trelleborg |
| 2014 | Ivory Coast | SPM | Assistance to overhaul – SIR2 – Sir |
| 2014 | France | CBM | Existing terminal improvement – Bp |

DVO reference list

Marine terminals

| Year | Country | Field of activity | Description of activity |
|-----------|-------------------|-------------------|--|
| 2014 | France | CBM | Study of hose lowering during operations – Total |
| 2013 | Ivory Coast | CBM | CBM chains replacement – SIR1 – Sir |
| 2013 | USA | CBM | Terminal configuration and improvement opportunities – San Juan – Total |
| 2013 | Puerto Rico | Port facilities | Terminal configuration and improvement opportunities – Saint Thomas – Total |
| 2103 | Benin | CBM | CBM design for Contractor – Sèmè – Geocean |
| 2013 | Tunisia | SPM | Prefeasibility study for Ashtart terminal extension – Total |
| 2013 | Korea | CALM | Installation of OLT – Usan – Trelleborg |
| 2012 | France | CBM | CBM sizing verification – Mayotte – Jifmar |
| 2012 | Equatorial Guinea | Port facilities | Tanker terminal – Bata – Total |
| 2012 | France | Port facilities | Loading arm specification writing – La Réunion – Srpp |
| 2012 | Ivory Coast | CBM | Call for tender writing for chain replacement – SIR1 – Sir |
| 2012 | Ivory Coast | CBM | Interface between CBM and communication cable – SIR1 – Sir |
| 2011 | Ivory Coast | CALM & CBM | Redaction of operating and maintenance manual for terminals – Sir |
| 2011 | Sierra Leone | CBM | Terminal import – Pepel – Total |
| 2011 | France | CBM | Increasing the size of vessels at terminal – Frontignan – Bp |
| 2010 | Tanzania | SPM | Technical consultancy for a new CALM buoy – Dar Es Salaam – Leighton |
| 2009 | Lebanon | CBM | Engineering of a new CBM terminal – Dora – Total |
| 2008-2009 | Ivory Coast | Port facilities | supervision and coordination of engineering, construction, marine and diving works product tanker new terminal on driven piles in the Canal de Vridi – Abidjan – PUMA ENERGY |
| 2008 | Nigeria | CBM | New products terminal – Lekki – Total |
| 2008 | France | CBM | New terminal studies for imported products – Edf-Cit |
| 2007-2008 | Cameroon | Port facilities | Supervision of repairs of jetty and berthing dolphins – Limbé – Sonara |
| 2007 | Cameroon | CBM | Sizing and installation supervision of a temporary CBM – Limbé – Sonara |
| 2007 | France | Port facilities | Sizing of a piping for terminal modification – La Réunion – Srpp |
| 2005 | Congo | SPM | Overhaul of LPG FSO NKS2 turret – Total Congo |
| 2004-2005 | Kazakhstan | SPM | Feasibility studies of 5 loading terminals – Kashagan – Total |
| 2004 | Somaliland | CBM | Project management of a new CBM – Berbera – Total r&m |
| 2003 | France | CBM | Management of a new CBM terminal – Port La Nouvelle – Total |
